Case like new	Frame light scratches	Frame visible scratches	Mix frames
Battery 100%	Battery >85%	Battery <85%	"unknow parts"

Rma service

We are proud to provide the fastest RMA service on the market. We know that work with used and refurbished phones, sometimes can bring issue or problems along the time, that's why we give 90 days of warranty and after we receive the RMA if everything is fine we refund or send a new stock all within 24h! because we don't want to stop the capital of our customer more than necessary. This year we also created a new site www.eurorma.com here our customer can check the details of every order mad in the last 90 days and easily check each rma.

Fully tested

90 days warranty

RMA in 24H

Warehouse & Logistic

→ Warehouse

We are located in Milan but we have have our production chain in Hong Kong and actually we have 2 warehouse in Dubai and Holland but for the incoming year we expect to open other points around the world to provide the best solution for our costumers.

→ Logistic

We ship worldwide from Italy but for very important orders we can ship directly form Hong-Kong or from any other warehouse of our company

→ Transport

We use DHL EXPRESS shipping fully ensured and in Italy we give the possibility to pay at the delivery. Our daily pick up it's at 17:00 PM and we assure the parcel to leave the same day if the payment arrives before 16:00PM
